# Strategic Plan 2017-2022

# Goal 1. Improving educational quality & growing portfolio of programs.

## Objectives;

- Full accreditation by CAA, Ministry of Education.
- ACPE certification process in the January 2018 cycle.
- Perform ongoing program evaluation.
- Initiate partnerships and collaborations with international universities.
- Incorporate team-based learning and OSCEs.
- Continue to attract high quality students.

## Goal 2. Developing solution-focused research for public impact.

### Objectives;

- Increase number of faculty members.
- Partner with other academic and health institutions locally.
- Disseminate research findings.
- Communicate research news of the College through website and other media.

# Goal 3. Building GMU-AHS brand through engagement.

## Objectives;

- Partner with internal and external stakeholders.
- Participate in professional activities nationally and internationally.

## **Goal 4. Structural alignment for efficient and effective GMU operations**

### **Objectives;**

- Create an organizational structure and job responsibilities within the College of Pharmacy that is in alignment with GMU and monitor effectiveness in operations.
- Improve communications between faculty, preceptors, and students.

# Future Plans in PharmD Program Evaluation

- Assessment of program learning outcomes.
- Mid semester course evaluations.
- End of semester course grades & evaluation.

# Assessment of Program Learning Outcomes

- Key Question: Were the PLOs achieved by the PharmD students?
- How is the assessment done?
- Who should do the assessment?
- Should we assess in every course?
- Is it better to assess in year 1 or year 4 courses?

# Assessment of Program Learning Outcomes

- Mapping of courses to PLOs
  - I, R, M
- Assessment Cycle
- Assessment Context
- Assessment Tool
- Assessment Rubric

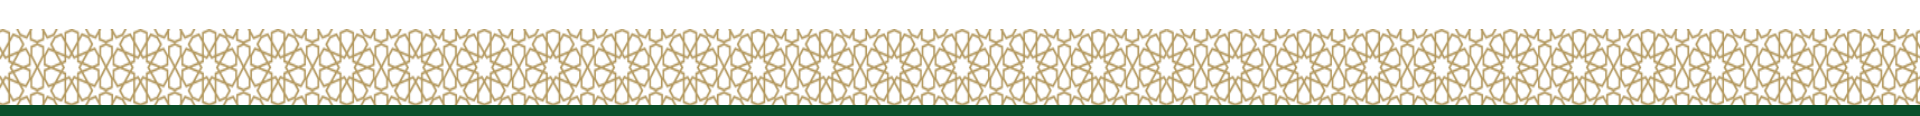

# Assessment of Program Learning Outcomes

- Assessors
- Scale (limited, approaching, proficient, outstanding)
- Interrater reliability
- Determine acceptable target for each LO

# Assessment of Program Learning Outcomes

- Analysis of results
- Recommendations
- Improvement actions
  - Timeline
  - Person responsible
- Implementation – follow up
- Assessment in the next assessment cycle.

# Thank you
