ANNOUNCES

SYMPOSIUM ON CANCER THERAPY INNOVATIONS & CLINICAL UPDATES

ACCREDITED
BY MOHAP
FOR 7 CME HOURS

On Friday, 28th June 2019

From 09:00 AM to 02:30 PM at Thumbay Medicity, Ajman

Overview

Cancer care is a rapidly changing clinical area with ground breaking innovations. There is an increasing focus on providing multidisciplinary care. In this era of evidence-based practice, clinicians even look at ongoing clinical trials to provide up-to-date care to their patients. The program is designed to integrate research into clinical practice.

Learning Objectives

- Discuss recent advancements in cancer research as it relates to drug discovery and clinical trials.
- Share helpful tips on safety while compounding of chemotherapeutic agents.

- Explain the role of pharmacogenomics in cancer therapy.
- Provide an update on cancer treatment guidelines.

Who will Benefit

Pharmacists, Physicians, Nurses and health professions students will benefit from this educational event.
