SYMPOSIUM ON

ADVANCES IN PHARMACY PRACTICE: USA & UAE PERSPECTIVES

ACCREDITED
BY MOHAP
FOR 3 CME HOURS

OVERVIEW

Pharmacy practice globally is transforming to emphasize more on patient care services. Patients benefit more with services of well-educated and competent pharmacists. To enable pharmacists to perform more clinical services, educational, practice and legal reform are necessary. Pharmacy practice in the USA is relatively advanced and that could influence improvements in UAE pharmacy practice.

LEARNING OBJECTIVES

- To reflect on driving forces for UAE pharmacy educational transformation.
- To analyze pharmacy practice in UAE to direct practice transformation.
- To recommend the advancement of UAE pharmacy practice reflecting upon pharmacy practice in the USA.

WHO WILL BENEFIT

Pharmacists, health administrators, physicians and pharmacy students will benefit from this educational event.
