

جامعة الخليج الطبية
GULF MEDICAL UNIVERSITY
ACADEMIC HEALTH CENTER

COLLEGE OF
HEALTH SCIENCES

BACHELOR OF SCIENCE ANESTHESIA TECHNOLOGY (BSc. AT)

Duration
4 Years Program

BSc. Anesthesia Technology prepares the student to be an important member of the anesthesia patient care team. It develops health professionals who are competent to work in health care settings with skills specific to anesthesia technology. Anesthesia technologists collaborate with licensed anesthesia providers in the acquisition, preparation and application of various types of equipment and supplies required for the delivery of anesthesia care. Biggest advantage for students is to learn professional skills throughout the study period through structured hands-on training in the simulation center and collaborating hospitals with state-of-the-art equipment and facilities.

PROGRAM HIGHLIGHTS

- Specialized program designed to offer a perfect mix of knowledge and clinical expertise.
- Curriculum in line with international standards.
- Accredited by Ministry of Education, UAE.
- Hands on training at our state of the art GMU Academic Hospitals.
- Curriculum specialized to develop skills specific to anesthesia technology.
- Perioperative patient care training in state of the art technologically advanced operation theatres.

CAREER OPTIONS

- Anesthesia technologist in operating rooms at hospitals, surgical centers, ambulatory centers, emergency and trauma units.
- Pursue a career as a research assistant.
- Advance in the career by pursuing higher education in specialty areas like conscious sedation for dentistry, dialysis anesthesiology, physician assistant (anesthesia), pain management, invasive anesthetic techniques and medical technology.
