BACHELOR OF BIOMEDICAL SCIENCES (BBMS)

Duration
4 Years Program

BACHELOR OF BIOMEDICAL SCIENCES (BBMS)

The Bachelor of Biomedical Sciences program is unique since it is a broad discipline that opens up a wide range of career opportunities. Graduates of the program can pursue careers in diagnostic laboratories, research laboratories or in the industry. The program draws its strength from a strong teaching faculty, excellent research facilities and state-of-the-art diagnostic laboratories which are all part of the Gulf Medical University Academic Health System used to train the students. Graduates of the program are currently employed in MOH, DHA laboratories in the UAE and many are pursuing graduate studies in UAE, US, UK, Italy and other parts of the world.

- Accreditation by the Commission for Academic Accreditation (CAA) Ministry of Education, Higher Education, UAE.
- Internationally accredited by the Institute of Biomedical Science (IBMS), UK.
- Research opportunity at our own Research institute for Precision Medicine.
- Internship opportunities at our own CAP Accredited Laboratories.
- We employ our own graduates.

CAREERS AFTER COMPLETION

- Technologists in Clinical Laboratories (Govt./Private) and Research Laboratories
- Teaching laboratories in Universities and colleges
- Application specialists for diagnostic kits and biomedical products
- Clinical trials, liaison executives between research lab and industry
- Medical, Science journalists
- Broad discipline offering a gateway to fields such as cancer research, stem cell biology, molecular biology, immunology, genetics, toxicology, neuroscience, clinical embryology and public health
