# BACHELOR OF DENTAL SURGERY (BDS)

BDS curriculum focuses on achieving the required outcomes through an integrated learning experience. Our faculty and staff are dedicated towards academia, professional development, research, and community service. They are committed to provide student-centered instructions to help students in achieving academic excellence.

- Accredited by Ministry of Education, UAE
- Competency based program that provides a rich clinical exposure.
- Involves physical and virtual simulation training to provide a real clinical experience.
- Provide opportunity for international trainings with our collaborative universities.

At GMU we encourage students to develop an independent learning attitude with the help of tutors via small group instruction, practical clinical skill sessions, symposia, communication skills training, and a comprehensive outreach teaching program.

- We are the only university in the UAE which focuses exclusively on Medicine, Dentistry and Healthcare Programs.
- At GMU we are proud of our pioneering past, Illustrious present, and bright future.

We are lucky to be at GMU, which has a superb modern facility, all labs and equipment are state of the art.
