Virginia Commonwealth University

Duration
2 Years Program

MASTER IN CLINICAL PHARMACY

The Master in Clinical Pharmacy program consists of clinical courses, hospital based rotations and pharmacy practice research. The program enables students to advance their skills in patient-centered care, clinical decision-making, and critical appraisal. Students have the opportunity to undertake clinical placements in multiple hospitals to maximize the practical experience, and the interaction with healthcare professionals and patients.

- Curriculum based on American College of Clinical Pharmacy competencies for Clinical Pharmacists
- Accredited by Ministry of Education, UAE
- Designed for working professionals with flexible learning schedule and blended learning
- Live sessions with Virginia Commonwealth University during the program
- Opportunities for clinical rotations at Virginia Commonwealth University, United States and Cleveland Clinic Abu Dhabi

CAREERS AFTER COMPLETION

- Specialized Clinical Pharmacist in Hospitals and Clinics
- Pharmacy Administrator in Hospitals, Clinics and Pharmacies
- Medical affairs specialist in Pharmaceutical Companies
- University Teaching Staff as Lecturer or Specialty Preceptor
- Pharmacy advisor in Governmental Authorities
- Research Staff in Medical Organizations
