DOCTOR OF PHARMACY (PharmD)

Duration
5 Years Program

DOCTOR OF PHARMACY (PHARM.D)

Gulf Medical University (GMU) is the country's first and only PharmD undergraduate program. The five-year program provides students with a one-of-a-kind pharmacy practice experience by combining rigorous basic science education with extensive and varied clinical experiences, preparing graduates to contribute to revolutionizing the future of healthcare.

A one-of-a-kind pharmacy practice experience that begins in the first year of study and provides students with immediate and progressively challenging clinical experience.

- Accredited by Ministry of Education, UAE
- Certified by the American Accreditation Council for Pharmacy Education (ACPE)
- International Student exchange programs with Virginia Commonwealth University, University of Saint Joseph Connecticut and Medical College of Wisconsin
- Training opportunities at Cleveland Clinic Abu Dhabi and Sheikh Khalifa Medical City Ajman
- Early exposure to clinical practice

Gulf Medical University, provides you with high quality of education and training that allow you to be ready to practice. You will achieve high competency levels with the solid foundational knowledge and professional skills you will be developing throughout the program years.
