BACHELOR OF PHARMACY (BPHARM)

The 4.5-year BPharm program provides students with a one of-a-kind pharmacy practice experience by combining rigorous basic science education with varied clinical experiences, preparing graduates to contribute to revolutionizing the future of healthcare.

By the end of the 4.5-year program, students will have the option to directly enroll in the GMU Post Baccalaureate PharmD program that allows them to obtain two degrees in 6 years.

A one-of-a-kind pharmacy practice experience that begins in the first year of study and provides students with immediate and progressively challenging clinical experience.

- Accredited by Ministry of Education, UAE
- International Student exchange programs with Virginia Commonwealth University, University of IOWA and Medical College of Wisconsin
- Training opportunities at Cleveland Clinic Abu Dhabi and Sheikh Khalifa Medical City Ajman and American Hospital Dubai
- Early exposure to clinical practice
