# MASTER IN CLINICAL PHARMACY

The Master in Clinical Pharmacy program consists of clinical courses, hospital based rotations and pharmacy practice research. The program enables students to advance their skills in patient-centered care, clinical decision-making, and critical appraisal. Students have the opportunity to undertake clinical placements in multiple hospitals to maximize the practical experience, and the interaction with healthcare professionals and patients.

- Designed for working professionals with flexible learning schedule and blended learning
- Research thesis and publication on selected clinical specialty (e.g., infectious diseases, cardiology etc.)
- Six months of Hospital-based clinical rotations in different settings.
- Training under the supervision of American board-certified clinical pharmacists.
- Opportunity to activate pharmacy training license under Thumbay University Hospital Complex.
- Live online educational sessions with Virginia Commonwealth University faculty
- Opportunities for clinical rotations at Virginia Commonwealth University, USA and Cleveland Clinic Abu Dhabi, UAE.
- Prepares for an academic career.
- Accredited by Ministry of Education, UAE

## CAREERS AFTER COMPLETION

- Specialized Clinical Pharmacist in Hospitals and Clinics
- Pharmacy Administrator in Hospitals, Clinics and Pharmacies
- Medical affairs specialist in Pharmaceutical Companies
- University Teaching Staff as Lecturer or Specialty Preceptor
- Pharmacy advisor in Governmental Authorities
- Research Staff in Medical Organizations
