Course Overview

The BLS Instructor Course is targeting students who were found to be motivated to facilitate BLS learning, competent and showed excellent knowledge and skills during the provider courses. This course is meant to facilitate potential instructors to teach the provider courses.

Course Objectives:

At the end of the BLS Instructor Essentials Classroom Course, the instructor candidates will be able to

- Identify the prerequisites to becoming an AHA Instructor
- Describe the usability of the PAM
- Describe the core competencies of an AHA Instructor
- Describe the 5 steps of the AHA Instruction Cycle: prepare, teach, test and remediate, close, and keep current
- Describe how to use discipline-specific AHA instructor materials: the Instructor Manual, Lesson Plans, course videos, and skills testing checklists
