PRACTICE AS A HEALTH PROFESSIONAL

What is in store?

Gulf Medical University Offers a unique course as a stepping stone to a bright future for all high school students (10, 11, 12) who wish to opt for careers in healthcare.

This is a **Five days course** offered by the University which gives school students from senior grades a chance to:

- Become aware of the common Healthcare specialties and the activities associated with them.

Venue: Center for Advanced Simulation in Healthcare (CASH)
Gulf Medical University Campus
Al Jurf, Ajman

- Interactive sessions and opportunities to experience our world class teams across all six colleges.
- Exposure to Medical Anatomy using cutting-edge facilities and tools.
- Fascinating opportunity to obtain International certifications of Heartsaver First Aid (HSFA), CPR and AED and hands-on experience in Vital Signs monitoring skills.
