## PROGRAM OVERVIEW

MDS Endodontics program is designed to enable students to acquire competencies to manage simple to complex endodontic cases. The program is benchmarked against international standards. We aim to provide our postgraduate dental students with rich and diversified learning opportunities to integrate endodontic therapy with other aspects of restorative dentistry.

## PROGRAM HIGHLIGHTS

- The Program is Accredited by the Ministry of Higher Education & Scientific Research, UAE.
- Eminent international academicians participate in program delivery.
- Clinical training is conducted in JCI accredited Thumbay University Hospital.
- Graduates are eligible to apply for specialist license in endodontics as per the Professional Qualification Requirement (PQR) of MOH, UAE.

## CAREER OPPORTUNITIES

- GMU offers employment opportunities to its outstanding graduates in its teaching hospitals, clinics, and college.
- Specialist in the private or government sector.
- Graduates from MDS Endodontics can attain a direct specialist title after clearing the necessary license exam according to the updated PQR.
- Full-time clinical faculty in a dental college.
- Researcher in oral health sciences

*We are lucky to be at GMU, which has a superb modern facility, and all labs and equipment are state of the art.*
