## **BACHELOR OF SCIENCE IN HEALTHCARE MANAGEMENT & ECONOMICS (BSc.HME)**

QAA

### **Duration**

4 Years (Full-Time), 123 Credit Hours

## Unlock Your Future with the **Bachelor of Science in Healthcare Management and Economics (BSc.HME)** Program

Are you ready to lead in one of the world's most critical and fast-evolving industries? The BSc.HME program is your gateway to a rewarding career at the intersection of healthcare and business.

### Why Choose the BSc.HME Program?

- **Accredited Excellence:** Accredited by the Commission of Academic Accreditation (CAA), Ministry of Education & Scientific Research, UAE, ensuring a globally recognized degree.
- **Comprehensive & Interdisciplinary:** Gain a deep understanding of the healthcare industry, its unique language, and its culture through a cutting-edge curriculum designed to address real-world challenges.
- **Empower Your Expertise:** Develop specialized skills in healthcare administration, financial management, operations, health economics, and data analytics, giving you a competitive edge in the marketplace.
- **Career Launchpad:** Whether your goal is to impact the field as a healthcare professional or pursue advanced studies in healthcare, public health, or business administration, this program provides a perfect foundation.

### Shape the Future

Graduates of the BSc.HME program are more than just professionals—they are leaders and innovators poised to transform hospitals, healthcare organizations, government agencies, and beyond.

### Take the First Step Toward Your Dream Career

Join a program that combines academic rigor with real-world relevance, preparing you to make a difference in one of the most vital industries on the planet.
