# POSTGRADUATE PharmD

The Postgraduate PharmD Program is designed to train pharmacy graduates for advanced clinical practice. Graduates to provide the highest level of care and improve patient outcomes with appropriate, safe, and effective medications. The Postgraduate PharmD program offers a full year of advanced pharmacy practice experience with in-depth 6-week rotations focusing on advancing clinical practice.

- Accredited by the Commission for Academic Accreditation (CAA), Ministry of Higher Education & Scientific Research, UAE.
- International-Accreditation by Accreditation Council for Pharmacy Education (ACPE), USA.
- Opportunity for BPharm graduates to upgrade to Doctor of Pharmacy (PharmD) in two years.
- Flexible schedule, ideal for working professionals.
- Partnership with USA Universities for classes and clinical training.
- Extensive 1 full year of clinical training in tertiary care hospitals.
- Training under the supervision of American board-certified clinical pharmacists.
- Curriculum based on American College of Clinical Pharmacy competencies for Clinical Pharmacists.

## CAREERS AFTER COMPLETION

- Clinical Pharmacist in Hospitals and Clinics.
- Pharmacy Administrator in Hospitals, Clinics and Pharmacies.
- University positions as Clinical Lecturer or Preceptor.
- Clinical positions at Ministry of Health.
- Residencies and Fellowships.
